105' MANGUSTA LUXURY YACHT

Thanks to her large interior space, a double interior salon layout and her massive deck space, perfect to spend time with friends and family. Yacht's decidedly strong sporty lines drawn by Stefano Righini well depict the sort of performance the hull is capable of delivering while the interiors are more spacious than one would normally expect to find on an "open" yacht of this size.

Offers 4 cabins for up to 10 guests.
