51' CATAMARAN LUXURY YACHT

Double the fun, on our brand new 51' Leopard Catamaran.

With an expansive entertaining space, you'll truly understand the meaning of living freely at sea. Not only does the catamaran provide stability and comfort beyond what you'd find in a mono-hull vessel, it also allows each guest multiple areas to enjoy.

The flybridge is perfect for grilling up your afternoon catch, or catching a tan with a view from the forward lounge, while the serene staterooms await below to whisk you away into relaxation.
