40' FJORD SPORT YACHT

There are few things in life that make the heart beat just a little faster. The unique styling, performance and desirability of the Fjord range will stir your soul. By her modern design, the Fjord 40 Open has large deck surfaces opened towards exterior.

By the way, this boat has been essentially designed to live on the exterior. The exterior of the Fjord 40 Open includes a huge cockpit table which can be transformed into a large extended sunbathing: the boat is registered to welcome 12 persons on board for extraordinary moments with friends and family.
